

**Center for Spiritual Living, Santa Rosa
Member Assistance Program
Application**

The Member Assistance Program (MAP) is designed to provide one-time financial assistance to congregational members in need. Recognizing that abundance is the inherent state of the Universe, and that that abundance is equally accessible to all through the One Mind of Spirit, the MAP is intended to participate in that flow with our members.

To access the MAP, a member must:

1. Be a member of CSLSR for at least one year.
2. Complete this application for consideration.
3. Meet with the MAP Team to explore your application.
4. Attend a practitioner session with an available practitioner of my choosing for spiritual counseling to open to abundance. (This session is paid for from MAP funds.)
5. Provide contact information for the payee/creditor concerned. Checks will be written ONLY to third-party payees.
6. Commit to a repayment plan for the funds distributed. This may be in the form of money and/or an agreed upon schedule of selfless service to the Center.

I understand and agree to the above criteria and submit this application for consideration.
